**THE MONEY**

CHARACTERS: MR SMITH, GUSTAVO

**INT. WAREHOUSE**

GUSTAVO (gang member) walks into the warehouse with MR SMITH (in a suit, out of his element).

GUSTAVO

You better tell me what business you got with me, white boy.

MR SMITH

I'm offering you a job, Gustavo. A job only a man like you could pull off.

GUSTAVO

Why would I do a job for you?

Mr. Smith pulls out a HUGE WAD OF MONEY.

MR SMITH

Because I have on million dollars-

Gustavo grabs the money and runs.

MR SMITH

Fuck, fuck, fuck. No. Stop! Stop! There's more money!

Gustavo stops.

GUSTAVO

More money, eh?

MR SMITH

Yes. If you leave now, you'll be missing out on the chance for the rest of it.

Gustavo walks back and sits down with Mr Smith.

GUSTAVO

Ok. How much are we talking about?

MR SMITH

One million now. One million when you finish the job.

Mr. Smith pulls out another HUGE WAD OF CASH. Gustavo immediately snags it and runs. Again.

MR SMITH  
No, no, no, no, no. Stop! Stop!

GUSTAVO  
Fuck you, white boy. I'm out.

MR SMITH  
There's more money in a bank  
account! I swear I can give you  
more. Just don't take the two  
million.

Gustavo starts to walk back.

GUSTAVO  
How do I know that's true? All I  
know is I have two million in my  
hands right now. You could just be  
lying about having more.

MR SMITH  
Ok. Here's what we'll do.

Mr. Smith brings out his CHECK BOOK and starts to write in  
it.

MR SMITH  
I'll write the check now so you can  
see that it is very much real.  
What's your full name?

GUSTAVO  
Gustavo Chavez.

MR SMITH  
Got it. So we have the check here  
and I'll give it to you once you  
finish-

Gustavo grabs the check and runs

MR SMITH  
(threatening)  
Stop! You have no idea who you're  
dealing with.

Gustavo stops, amused by Mr. Smith.

MR SMITH  
If my family finds out something  
bad happened to me, they will spare  
no amount of money to save me.

GUSTAVO  
Even a ransom?

MR SMITH  
Especially a ransom- shit.

Gustavo pulls out his gun and grabs Mr. Smith.

GUSTAVO  
Then I'm taking you.

MR SMITH  
Dad's going to be pissed.

GUSTAVO  
Out of curiosity, what was the job  
anyway?

MR SMITH  
Sigh. It was to kill the crime lord  
known as El Macho.

GUSTAVO  
You idiot. I'm El Macho.

MR SMITH  
Oh.

**INTERN/HOOKER CONFUSION**

CHARACTERS: SAM, JULIA

**INT. HOME**

JULIA (30) relaxes with a book. SAM (30) sits down with a laptop, frustrated and overworked.

NARRATION

This is Sam. Sam is like every other 30 year old, white male in America except for one thing. Due to an adolescent misunderstanding of the Clinton trial that never got cleared up due to sheer ignorance, he thinks that "intern" means "hooker."

JULIA

Do you need a snack, honey?

SAM

No. I can't eat right now. I have so much to do for the business.

JULIA

You're so overworked. You need an intern.

SAM

Very funny.

JULIA

I'm serious. I think it would be really good for you.

SAM

Wait. What?

JULIA

Yeah. Having someone help you out would be good for you.

SAM

You wouldn't want to do that stuff?

JULIA

Oh, god no. Are you kidding?

SAM

Wow, that kind of makes me really sad, but as long you're letting me do this, that's cool.

JULIA

What's to be sad about? I'm your wife, not your slave.

SAM

When you put it like that, yeah. I mean, this is awesome. It's just crazy.

JULIA

It's not that crazy. I just want you to be less stressed.

SAM

I don't even know where to start to find one.

JULIA

Look online.

SAM

Online? That makes sense. I was kind of worried we'd need to cruise around the streets and pick one off the street.

JULIA

Hah! What were you thinking? We'd go pick up one of those guys in front of Home Depot?

SAM

Jesus. No. A woman. Definitely a woman.

JULIA

A woman? She better not be pretty. I'll get jealous.

SAM

I think we're well past that.

JULIA

You know who you could ask? Our neighbor Stan's daughter.

SAM

Oh, my god. Are you serious? She's not even in high school.

JULIA

I think she'd like the experience before she goes off to college.

SAM

That just doesn't seem like the best way to get experience.

JULIA

Why? She interned for her father for a little while last Summer.

SAM

Jesus, I'm going to be sick.

JULIA

You're such a drama queen.

Julia looks on the computer.

JULIA

Here's a good one. Do you want to check out her resume? She's been around. A lot of experience.

SAM

Not exactly a high selling point for me, but that's to be expected. I guess let's try her.

JULIA

Ok. I'll tell her to come in for an interview.

SAM

You think I need to interview her?

JULIA

Yeah. You need to make sure you two get along. So what kind of things are you looking for them to do anyway? Scheduling? Filing?

SAM

Suck my dick.

Julia drops her smile.

JULIA

I don't think that's very funny. I think it's disrespectful.

SAM

We're already talking about a dirty intern.

JULIA  
Dirty intern? You know I was an  
intern at my work before I got  
hired.

SAM  
What?! The whole company?!

JULIA  
Yeah. Duh.

SAM  
I just can't process this.

JULIA  
Why do you have to make this hard?  
I'm just trying to help you. If you  
don't want an intern, don't get a  
damn intern-

SAM  
I'm sorry. I'm sorry. I'm sorry.  
(blurting out) I'll take Stan's  
daughter.

JULIA  
Ok, great. I'll call Stan and tell  
him to send her over tomorrow.

Julia leaves.

SAM  
(to camera)  
Holy shit. I'm getting an intern.

end!

Suddenly Dr Horrible gets hit in the head and falls to the  
ground. Behind him is FRIENDLY GUY.

FRIENDLY GUY

Don't say I never did anything for  
you.

GUY

You saved my life.

FRIENDLY GUY

Anytime. Now let's get out of here-

Suddenly FRIENDLY GUY gets hit in the head and falls to the  
ground. JOHNNY ANGRY is behind him.

JOHNNY ANGRY

It's not going to be that easy.

GUY

You bastard. You'll never take me  
alive-

JOHNNY ANGRY gets hit in the head and falls to the ground.  
GOOD GUY JACK is behind him.

GOOD GUY JACK

I guess it was that easy-

GOOD GUY JACK gets hit in the head and falls to the ground.  
TONY is behind him.

GUY

Are you guys not looking behind  
you?

TONY

Funny you're talking about looking behind. Because you have no future to look forward to.

TONY gets hit in the head and falls to the ground. DRAKO stands behind him.

DRAKO

Am I late for the party?-

GUY

Shut up. When you were walking up, was there another guy close behind you?

DRAKO

No. (beat) Oh wait, do you mean this guy?

ANOTHER ENEMY pokes his head out then hits DRAKO on the head. DRAKO falls to the ground.

ANOTHER ENEMY

Party's over-

ANOTHER ENEMY gets hit in the head and falls to the ground. LAST ENEMY stands behind him.

LAST ENEMY

Oops. I'm a bad guy too. I shouldn't have hit him.

GUY

Before you say another word, was there someone behind you?

LAST ENEMY

There's a whole line of us.

REVEAL: Behind LAST ENEMY is a line of alternating good guys and bad guys.

GUY

I guess we know what that means.  
(beat) Party time!

CUT TO:

The good guys and bad guys party together.
